Dear Sir or Madam:

It is our pleasure to inform you that your name has been recommended/selected by our research editors for inclusion of your biographical-note with photograph in the forthcoming volume of our **'Asian/American Who's Who'** (Vol. IV).

The book is an attempt to capture and preserve in print knowledge about people from Asia and America who have scaled lofty heights against all odds to achieve excellence, people who have made a mark in original line of thinking by any standard, people who have played a cogent role in stimulating and sustaining human development and progress through the furtherance of art, culture, literature, science and various occupations, and also others worthy of reference interest at the local, regional, national or international level.

'Asian/American Who's Who' is not merely a biographical directory or dictionary, it is aimed to be a 'Document of Everlasting Value' for the listed biographees.

Enclosed herewith, please find your biographical-note prepared by our research staff which forms the basis of our interest in you. Please return it duly corrected and up-dated to enable us to incorporate the same written as per our format and style in the aforesaid proposed volume.
