Dear Biographee:

We are indeed glad to inform you that your name has been selected by our research editors for inclusion of your biographical-note with photograph in the forthcoming volume of our 'Asia/Pacific Who's Who' (Vol. VIII).

'Asia/Pacific Who's Who' in a number of volumes linked together at intervals is aimed to assemble and reflect the fame and notability of people living in the Asia-Pacific region to foster goodwill, brotherhood and international understanding. It is attempted to capture and preserve knowledge about people who have scaled heights against odds to achieve excellence, people who have made a mark in original line of thinking by any standard, people who have played a cogent role in stimulating and sustaining the growth of art, literature and learning, and also others worthy of reference-interest at local, regional, national or international level.

'Asia/Pacific Who's Who' is not merely a biographical directory or dictionary, it is aimed to be a 'Document of Everlasting Value' for the listed biographees.

Enclosed, herewith, please find your biographical-note proposed for inclusion in the aforesaid volume for your check-up, necessary corrections or additions and alterations in view of their extreme importance.

Awaiting your prompt response we remain,

Sincerely yours

Ravi Bhushan – Editor.

P.S: This is an invitation of honour to join exclusive coverage on 'select-one' personalities of Asia and the Pacific.
