HONOUR INTIMATION :

We are indeed glad to inform you that your name has been recommended/selected for inclusion of your biographical-note in the forthcoming edition of our "**Distinguished & Admirable Achievers—2005**", a biographical historiette of distinguished achievers.

"**Distinguished & Admirable Achievers**", in a number of volumes is an attempt to capture and preserve knowledge about peoples who have scaled the heights against odds to achieve excellence, people who have made a mark in their particular activity by any standard, or those whose unique talents have played an important role in stimulating and sustaining the high name of their line of endeavour.

It is planned to briefly describe and assess the lives of leading figures in all the field of human activity.

Enclosed herewith please find your biographical-information gathered by us. Please return it duly corrected and up-dated to enable us to include your biographical-profile, after re-writing the same in our own format, in the forthcoming edition of "**Distinguished & Admirable Achievers —2005**".

The proposed issue of "**Distinguished & Admirable Achievers —2005**", a fascinating and informative *vede-mecum* being compiled with unparallel care and skill, is expected to offer a Prized Document of Everlasting Value to the listed biographies. You own it now, preserve it and pass it on to the next generation who will be proud to treasure it, we hope so.

*History, although sometimes made up of the few acts of the great,
is more often shaped by the many acts of small.*

—Mark Yost

Meanwhile, we avail ourselves the consideration and esteem with which we are, Sincerely Yours,

K. L. Gupta - Editor

PS : We look forward to your joining the proposed issue of *Biography Treasury Series*.
